What is Info?

info

What is INFO? The Instituto de Fomento is the economic development agency of the Autonomous Community of the Region of Murcia, tasked with promoting and developing business, stimulating competitiveness, innovation and productivity among regional companies, especially SMEs, and entrepreneurs in order to generate quality, stable employment.

The Business Growth Department coordinates the C(i*EMP) Strategy, which involves more than 140 entities, 45 local development agencies, town councils, business organisations, universities and NGOs that carry out activities to support entrepreneurs.

Business growth: comprehensive support for entrepreneurs. Business creation.

Business innovation: promoting innovation.

Infrastructure and industrial land: improving logistics processes. Location in spaces.

International: guidance and promotion of foreign trade, missions and trade fairs.

Financing: financing for businesses. Investing in Murcia: comprehensive support for entrepreneurs throughout the investment process.

European initiatives: European projects. Cooperation, training and transnational networks.

Many studies confirm that a happy worker is a **productive worker**. Our region has everything needed to make people feel happy: Great temperature, the sea, the mountains, the sun, great food, concerts...the list goes on and on

The gastronomy of Murcia is one of its great attractions. Keeping the healthy traditions of the Mediterranean diet
You will find terraces with a wide range of “tapas”
